Proposal for Seminar on "Technical Paper Writing"

To,
The Principal,
AGTI's DACOE, Karad

Subject: Permission to organize seminar on "Technical Paper Writing" on 18/12/2021

I Dr. Balshetwar S V working as an Associate Professor in Computer Science & Engineering Department is interested in coordinating seminar on "**Technical Paper Writing**" for Computer Science & Engineering, Mechanical Engineering & Electronics & Telecommunication Engineering and BSH students on **18/12/2021** (Saturday).

Target Audience

All teaching staff, TY B.Tech and Final Year B.Tech students.

Mode of conduction: Online

Seminar Contents

- **How to write a good technical paper?**
- **How to identify good conference and journal?**
- **How to make good presentation in the conference?**
- **Important skills for a successful career in research.**

The Objective of the Workshop

To foster technological innovation, technical writing and research in students.

Resource Persons

Dr. Megharani Patil, Associate Professor.

CSE Department, Activity Head National Initiative Program. Thakur College. Mumbai

Following is the organizing committee

- Mr. A. N. Patil, Head in Computer Science & Engineering department
- Dr. S V Balshetwar, Coordinator
- Ms. S. D. Bhandari, , Co-Coordinator
- Mrs. S. P. Kakade, Organizing Member

- Mr. S. Y. Inamdar, Organizing Member
- Ms D. R. Kamble, Organizing Member

Activity report

Seminar on "Technical Paper Writing"
(18th Dec, 2021)

Event : Seminar on "Technical Paper Writing".

Resource Person: Dr. Megharani Patil, Associate Professor,Thakur College of enginerring,Mumbai. Department of Computer sciecnce and engineering has organized Seminar on "Technical Paper Writing" on 18th Dec, 2021. for Computer Science & Engineering faculties and students of TY and Final year. The inauguration ceremony of this workshop was blessed with imminent faculties of college and the resource person for this seminar . Dr. Megharani Patil

Head of CSE department **Mr. A N Patil** in his speech addressed all the audience by his precious words. He started with the need of technical papers in research. He continued to explain that technical papers provide complex information to readers in a way that they can understand and apply , even if they don't have prior knowledge of the topic. Later he discussed the needs of latest programming languages such as Python, R-programming etc and explored and inspired everyone with need to study these languages and spoke about the importance of workshop conduction. **Dr. S V Balshetwar coordinator of the seminar spoke on** Why are research papers important in our society? **And elaborated that Research is critical to societal development.** It generates knowledge. provides useful information. and helps decision-making, among others.

With great efforts of Head of CSE department Mr. A N Patil and coordinator **Dr. S V Balshetwar** and committee members, workshop was successfully conducted. Total **56** participants attended this workshop.

Session1: What are technical papers? What is the difference between research paper. and technical paper? Research papers are composed customarily by an understudy at a university or college. and the work is ordinarily alloted. A technical article is a piece. of around a subject that has as of late investigated or surveyed and composed by an master in that field. What is analysis and design? She also explained importance of keywords, literature review and proposed solution in a technical paper. Further in the session she explained the layout of a formal technical paper typically and explained following key elements: Abstract, Introduction, Work Done, Results & Discussion, Conclusion, and References in it.

Session 2 How to write a good technical paper? How to identify good conference and journal? How to make good presentation in the conference? Important skills for a successful career in research.

This seminar fulfilled its prime objectives to bring the students and faculties from the department to onto one platform and update on importance of technical paper writing with the advances in important skills for a successful career in research. This day was concluded with valedictory function held by Prof. Renushe. Coordination with students and faculty was done by Prof. Kadave throughout the sessions.
