Vidyanagar Extn., Banawadi, Tal. Karad, Dist. Satara

Department of Computer Science and Engineering

International Webinar on Product/Prototype Design and Development

Date- 08/04/2022 duration 2hours (session 1: 2.00 pm to 3.00 pm ,Session 2: 4:30 to 5:30 pm)

Objective-

1. The aim of the workshop is to introduce the concept of design thinking, basic design process, prototype development and testing.
2. The prime objective of the workshop was to manifest the importance and necessity of Prototyping in the contemporary technological world.

Beneficiary- TY and B.Tech Final Year Engineering Students of all branches.

Outcomes-

After completion of the workshop, participants are able to acquire more knowledge on prototyping.

- Finding your product-market fit
- Adding value for end users
- Ways to attract investors
- How to refine your product designs

International Webinar on Product/Prototype Design and Development

Date- 08/04/2022 duration 2hours (session 1: 2.00 pm to 3.00 pm, Session 2: 4:30 to 5:30 pm)

Department of Computer Science and Engineering, AGTI's Dr. Daulatrao Aher College of Engineering has organized the Workshop on Product/Prototype Design and Development on 8th April 2022 in two sessions viz session 1: 2.00 pm to 3.00 pm, Session 2: 4:30 to 5:30 pm) through online mode (Zoom) in which around 159 participants took part. The objective of the workshop Product/Prototype Design and Development – Prototyping was to provide a brief idea of prototype and prototyping and about it's important in the industry and other sectors. The workshop was coordinated by Dr. S V Balshetwar and Miss. S P Shinde.

In the Webinar, Session 1 was conducted by Dr. Rajesh Dey, he had shown the presentation, video and given lecture related to prototype and prototyping. He also pointed the objective of the prototyping for the industry.

He further explained, one of the best ways to gain insights in a Design Thinking process is to carry out some form of prototyping. This method involves producing an early, inexpensive, and scaled down version of the product in order to reveal any problems with the current design. Prototyping offers designers the opportunity to bring their ideas to life, test the practicability of the current design, and to potentially investigate how a sample of users think and feel about a product.

Session 2 was conducted by Mr. Gagan Bhatia he explained importance of prototyping through SDLC life cycle. He gave various examples of cyber security products and how prototyping helps it. He also explained about design of a prototype for IT Security Architectures.

Program was concluded with vote of thanks by Prof. Renuke and informed that once the participant submits feedback form they will receive certificate on the mail id.

OBJECTIVE: To obtain a position in Teaching and educational field, R&D where I can use my engineering knowledge and interpersonal skills along with my exceptional common sense.

**Special Skill-Conference organizing, Laboratory kit Developing, Project Related Work, Training & Placement Coordinator
Start-UP Mentor**

Scholastics

- ✦ PhD (Electronics & Communication Engineering) from Maulana Abul Kalam Azad University
- ✦ M.Tech(Electronics & Communication Engineering) from West Bengal University of Technology, West Bengal, India. Kalyani Govt Engineering college
- ✦ AICTE Approved B.Tech(Electronics & Communication Engineering) from The Electronics & Communication Engineers India
- ✦ 12th from Bidarpakali High School, WBCHSE
- ✦ DP from Patnae J.P. Institution, WBHSE

Professional Contour- Academic

Organization	Post held	Name of work	From	To
Dr. B. C. Roy Engineering College, Kalyani	Assistant Professor	Electronics & Communication Engineering	2006	2011
Dr. B. C. Roy Engineering College, Kalyani	Assistant Professor	Electronics & Communication Engineering	2006	2011
Dr. B. C. Roy Engineering College, Kalyani	Assistant Professor	Electronics & Communication Engineering	2006	2011

Taking various lab & theory classes (electronics communication engg.) as GATE SCHOLAR from July 2011 onwards at Kalyani Government Engineering college

Industry Exposure

Working as technical support engineer of electronics weighing scale from July 2000 to Jan 2005 at THE Q.P.M (Authorized service provider of ATCOM TECHNOLOGIES LTD, MUMBAI, & APPROVED BY LEGAL METROLOGY GOVT. OF WEST BENGAL)
Working as Service Engineer from 1.12.99 to 06.06.2000 at D.R.Traders (Authorized service provider of ATCOM TECHNOLOGIES LTD, MUMBAI, & APPROVED BY LEGAL METROLOGY GOVT. OF WEST BENGAL)

Dear Prof. Sayali,

We are happy to announce that Mr. Gagan Bhatia from London will be conducting an interactive session on the topic "**How to build application security programs from the ground up and how we apply DevSecOps in Software Development Life Cycle effectively**".

In this session, Mr. Bhatia will share journeys and lessons learned including: how to enable developer teams, implementation of tools and instilled processes in support of making security a core part of any organisational success.

Mr. Bhatia is a London based Cyber Security Leader who focuses on leveraging security and cloud as key enablers for digital transformation. He is the Head of Security in Fintech providing banking as a Service solutions. He led mobile security solutions for Digital Banking. Designed and delivered reusable mobile security components for multiple lines of business including retail, commercial and wholesale banking.

Request you to ask your students and interested faculty to please join this exciting session on Apr 8th between 4:30 pm to 5:30 PM. We are sending an email to the students from CyberYogi platform in this regard. Ask the students (or faculty) to feel free

U.S. Open Market Certificate Trade Reg. No. 30
Dr. Ashoka Kumar Technical Institute
 Dr. Indira Aher College of Engineering, Karad
 Karad - 415105 (M.S.)

Certificate of Participation

This is to certify that

Payal Bhattacharya
 from Ashokra University

Has participated in International Webinar of
 "Product Prototype Design and Development" under Institute's International Council
 organized by Department of Computer Science and Engineering on 5th April 2022

Prof. S. P. Shirude, Dr. S. V. Balshetwar
 Co-ordinators

Prof. A. N. Patil
 Organizing Secretary

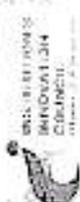

Prof. H. M. Kumbhar
 Vice-Chancellor

Dr. A. M. Mulla
 Principal

Made for free with Canva.com
