DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

VISION

To produce competent, dynamic and skilled engineers employable in the Computer Science and Engineering profession for socio-economic development

MISSION

M1. By inducing learning practices for problem solving and technical skills to meet emerging trends in Computer Science & Engineering

M2. By collaborative work to develop conducive relationship with stakeholders for continuous improvement

M3. By grooming computer professionals with ethical values for inculcating research, entrepreneurship & leadership to serve the society.

Academics:
