1) What did you like about the programme?

The session of Sir was amazing, we learnt a lot from him. Sir made us think on lot of questions.

2) What do you think could be improved?

I don't think so, that he should improve cause he is best.

3) Outline THREE things that you will take with you/have learnt in this session

- To take commitment
- To seek knowledge everywhere
- I gained confidence.

4) Any other comments

We want Sir next year too.

ABOUT INSTITUTION:

Dr. Daulatrao Aher College of Engineering, Karad was established in 2008 by Dr. Ashok G. Gujar, as part of Shri G. K. Gujar Memorial Charitable Trust's activities at Karad. The Institute is approved by the All India Council for Technical Education (AICTE) New Delhi, Directorate of Technical Education (DTE) Mumbai and Government of Maharashtra and is affiliated to Shivaji University Kolhapur. The Institute offers Undergraduate Engineering Programs in Mechanical Engineering, Electronics & Telecommunication Engineering, Civil Engineering and Computer Science & Engineering leading to B.E. Degree as per Shivaji University Curriculum.

ABOUT DEPARTMENT:

Mechanical Engineering Department was established in the year 2008. The Department has a team of highly qualified and experienced faculty. Research activities at the department are progressing in the areas of feature based design, design optimization of Mechanical systems, Flexible Mechanisms, alternative fuels for IC engines, thermal energy storage and material technology. Mechanical Engineering envisaged the development, design, manufacturing and maintenance of machinery. The present age demands Mechanical Engineering specialists who have the capacity of adaptability and creativity in the new technical areas. Mechanical engineers should have knowledge not only in their own specialized fields but also in wide inter disciplinary fields as well to meet the above requirements.

HOW TO APPLY:

Interested participants are requested to send, filled and duly signed Registration form along with Demand Draft of course fees as applicable in favor of "MECH AGTI DACOE" payable at Karad. to the said address. This fee will cover refreshment. **There are only limited no of participants for the course on first come first serve basis.**

ABOUT PLC-SCADA:

Computer Aided Design is extensively used in the design of tools and machinery used in the manufacture of components and Design courses like CATIA, CREO, NX etc. has wide range of application in the industry, Department of Mechanical Engineering arranged vocational training of these courses for the third year and final year students. CATIA Essentials covers the fundamentals of CATIA and is the foundation on which we can build our modeling skills Part Modeling and Assembly Modeling will complete our knowledge of solids modeling tools and techniques. Also complex or organic shapes, Advanced Surfacing Modeling will be introduced

COURSE OBJECTIVES:

- Demonstrate competency with multiple drawing and modification commands in CATIA.
- Create three-dimensional solid models.
- Create three-dimensional assemblies incorporating multiple solid models.
- Preparation of technical mechanical drawings.

COURSE CONTENT:

- Introduction to CAD, CAE, PDM Features of CATIA,
- SKETCHER
- Sketch Tools -
- PART MODELING
- Creating Loft features, Creating curves -
- Creating Chamfer Creating Shell Creating Rib
- Inserting Fastening features- Mounting boss, snap hook
- ASSEMBLY MODELING
- Applying Advanced Mates ,Manipulating Components -
- SURFACE MODELING

“CAD (SOLIDWORKS) applications in
industry”

(13th Mar. to 18th Mar. 2023)

Organized by,
Department of Mechanical Engineering,
Dr. Daulatrao Aher College of Engineering,
Vidyanagar Extension,
Banwadi, Karad, Maharashtra, India

ABOUT INSTITUTION:

Dr. Daulatrao Aher College of Engineering, Karad was established in 2008 by Dr. Ashok G. Gujar, as part of Shri G. K. Gujar Memorial Charitable Trust's activities at Karad. The Institute is approved by the All India Council for Technical Education (AICTE) New Delhi, Directorate of Technical Education (DTE) Mumbai and Government of Maharashtra and is affiliated to Shivaji University Kolhapur. The Institute offers Undergraduate Engineering Programs in Mechanical Engineering, Electronics & Telecommunication Engineering, Civil Engineering and Computer Science & Engineering leading to B.Tech Degree as per Shivaji University Curriculum.

ABOUT DEPARTMENT:

Mechanical Engineering Department was established in the year 2008. The Department has a team of highly qualified and experienced faculty. Research activities at the department are progressing in the areas of feature based design, design optimization of Mechanical systems, Flexible Mechanisms, alternative fuels for IC engines, thermal energy storage and material technology. Mechanical Engineering envisaged the development, design, manufacturing and maintenance of machinery. The present age demands Mechanical Engineering specialists who have the capacity of adaptability and creativity in the new technical areas. Mechanical engineers should have knowledge not only in their own specialized fields but also in wide inter disciplinary fields as well to meet the above requirements.

HOW TO APPLY:

Interested participants are requested to send, filled and duly signed Registration form along with Demand Draft of course fees as applicable in favor of "MECH AGTI DACOE" payable at Karad. to the said address. This fee will cover refreshment. **There are only limited no of participants for the course on first come first serve basis.**

ABOUT THE COURSE:

Computer Aided Design is extensively used in the design of tools and machinery used in the manufacture of components and Design courses like CATIA, CREO, NX etc. has wide range of application in the industry, Department of Mechanical Engineering arranged vocational training of these courses for the third year and final year students. SOLIDWORKS course covers the fundamentals of SOLIDWORKS and is the foundation on which we can build our modeling skills Part Modeling and Assembly Modeling will complete our knowledge of solids modeling tools and techniques. Also complex or organic shapes, Advanced Surfacing Modeling will be introduced

COURSE OBJECTIVES:

- Understand the underlying concepts of 3d modeling.
- Create basic to intermediate solid models using SOLIDWORKS software.
- Compose an assembly of multiple parts.
- Detail out blueprints based on solid models or assemblies.

COURSE CONTENT:

- Introduction to CAD, CAM, Features of Solidworks,
- SKETCHER
- Sketch Tools -
- PART MODELING
- Creating Loft features, Creating curves -
- Inserting Fastening features- Mounting boss, snap hook
- ASSEMBLY MODELING
- SURFACE MODELING
- Drafting

Notice- Symbiosis- Electric Vehicle Training

All the students those who are interested for **Symbiosis Electrical Vehicle Technical Training** are hereby informed to note that, The Orientation process for selected candidates & selection process for interested candidates is scheduled on **06/04/2023** at **12:45 pm** at **auditorium**. All the students should report as per the schedule.

Name of the Training	Symbiosis- Electrical Vehicle Technical Training
Duration	2 Months Daily 3 to 4 Hrs.
Batch-1	Monday to Friday 3:00 pm to 6:00 pm Everyday & Saturday as per schedule
Venue	MECH Dept. Lab & Workshop
Refundable deposit	NA
Registration Link	https://forms.gle/LTerjUjKVmaaHqe3A
Technology	Symbiosis- Swabhiman- Electric Vehicle
Support from Symbiosis	Free of Cost Training, Project based Teaching, industry aligned curriculum and focus on Hands on skilling. & Placement Support
