## REPORT

On

"Industrial Visit at All India Radio Station, Kolhapur (Friday, 04/03/2022)"

Department of Electronics & Telecommunication Engineering, DACOE Karad had organized One day Industrial Visit at All India Radio Station, Kolhapur on Friday, 04/03/2022. This visit organized for second year students under subject Analog Communication System. Total 31 students & 02 faculty members & 01 Non Teaching Staff were participated in this Industrial visit. The basic intention of organizing this visit was to give a practical exposure to students about exact operation of radio station & how exactly Transmitter & Receiver works. At the same time to give details of practical implementation of theory concepts like modulation, demodulation, noise etc.

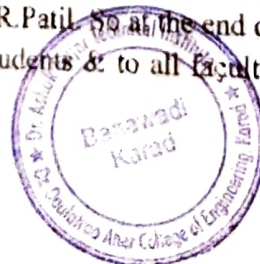

On Friday, 04/03/2022 at 08.00 am to 08.45 am, all students & faculty members reported in college campus, Visit co-ordinator Mr. Gurav R.K taken attendance of all students & given all instructions to students about discipline, rules & regulations of visit. After completion of these activities we had a departure from DACOE, Karad at 08.50 am.

On Friday, 04/03/2022 we reached at All India Radio Station, Kolhapur at 11.50 am. Assistant Engineer Mr. S. B. Deshmukh Given Brief introduction of his station & Staff Members. At this Radio center Mr. Kamble & Mr. Rakate given a information related with Receiver. At this center three rooms like Studio (Recording Room), Control room, Broadcasting room has been explained to students by Mr. Kamble & Mr. Rakate. They told all basics related with recording of a program, techniques of editing recording, concept regarding height of antenna. While explaining control room they discussed how exactly the position of feeder can be changed to release programs from another station like Delhi, Mumbai. Also they discussed main components of control room & stand by system in control room. In broadcasting room they explained how signal can be broad-casted to transmitting antenna using up-link & how transmitter broad-casted in the air. In this session students got so many new things & they realized actual significance of the theory concepts that they had studied in their subject. After finishing this session we left Kolhapur at 12.40pm.

On the same day at 02.00 pm we reached at Transmitting station Panhala. At this transmitting station students have seen transmitting room & transmitting antennas. The details related with how exactly transmitter will works given by a technical experts to our students. This Session continues upto 02.30 pm. After this session all students took their lunch. Students enjoyed beauty of nature around the transmitting station. After enjoying this, with full satisfaction of all students we left Panhal at 04.00 pm. & travelled towards Karad.

On the same day at 06.00 pm we reached at DACOE, Karad. So after reaching at college campus Mr. Gurav R.K Dept. Visit co-ordinator taken arrival attendance of students & finally after a successful Industrial Visit all student went to their home safely & in time. For organizing this industrial visit we got a valuable guidance & strong support from our HOD, Prof. Dr. S.R. Patil. So at the end of this report, as a visit co-ordinator I express my sincere thanks to our HOD, to all students & to all faculty members those who helped for making this Industrial Visit as a successful visit.
