Τo,

Secretary madam,

DACOE,Karad.

Respected Madam,

Student Archana Sampat Jadav is living in our hostel from 4 years. She is living alone in a 1 room & not adjusting with other girls. That's why no one is ready to live with her in the room. She is arguing with roommates that's why all girls scared to live with her.

In this year 2018-2019 two girls of second year are allotted for her room. but some girls tell them about the nature of Archana Jadhav. That's what these two girls take written permission for room change. At that time also Archana argued with those girls. After this incident these two girls are not ready to live in hostel. But I convinced those girls & give them another room.

There is vacancy in the room no.6 so I again allot a girl in room no 6. But only in 8 days Archana argued with Vaishnavi on small small things. On 23/08/2018 she told Vaishnavi go out from my room. She also told me that if I not remove Vaishnavi from her room then she will call to Sahib and Aaba. After this incident Vaishnavi told all incidences to her parents. At late night her parents come in the hostel and shifted Vaishnavi material in another room no 23.

Because of this all new coming girl students are disturbed .
