

**DEPARTMENT OF CIVIL ENGINEERING**

**AAKAR**

**2021-22 SEM I**

**Vision**

To produce globally competent civil engineers for the sustainable development of the society.

**Mission**

We the Department of Civil Engineering are committed to achieve our vision by

- M1. Empowering the student with sound technical knowledge and professional skills.
- M2. Grooming civil professionals with ethical values for research, development, entrepreneurship & leadership for sustainable development of the society.
- M3. Applying modern construction techniques and materials along with construction management principles for continuous improvement and enhancing employability skill.

**About Us**

The Civil engineering program will serve Connecting link to the nation by providing a quality engineering education that enables students to enter a profession that can improve the civil infrastructure, and economic welfare. Our civil engineering program will maintain a strong emphasis on undergraduate education with the goal that our program will be recognized for quality instruction in civil engineering analysis and design. An important emphasis of the civil engineering program is preparation of students for professional engineering licensure and practice, and we expect that most of our students will pursue this objective following graduation.

## Department Events

**Name of Event:** Online Webinar on: Why Engineering?

**Date:** 26<sup>th</sup> October 2021

**Location:** Online

**Organized by:** Department of Civil Engineering

**Dr.Ashok Gujar Technical Institute's**  
**Dr.Daulatrao Aher College of Engineering**  
B+ NAAC Accredited Institute

**Why Engineering ?**  
Online Webinar on

1. Misconception/Myths about Engineering.
2. Employment Opportunities
3. Situation after Covid
4. What is Engineering?
5. Career in Engineering
6. What are various Branches of Engineering?
7. How to Choose Branch?
8. How to choose College?

Regards: Principal  
Dr A.M.Mulla (8600339786)

Date: 26<sup>th</sup> October 2021  
Time: 10.45 a.m.
