To,
The Principal,
AGTI's DACOE, Karad

Subject: Permission to one week workshop on "Android Appcraft: from Concept to Creation" on 3rd Feb. 2025 to 8th Feb. 2025.

I am Mrs. Jyoti P. Sarawade working as an Assistant Professor in Computer Science & Engineering Department interested in coordinating workshop on "Android Appcraft : from Concept to Creation" on 3rd Feb. 2025 to 8th Feb. 2025 at AGTI's Dr. Daulatrao Aher College of Engineering, Karad for all final year students of CSE department.

Target Audience

Final year UG Students and Faculties.

Aim of Session

Participants are expected to learn the basics of Mobile Application Development using Android Studio Framework. The goal is to establish a solid foundation upon which they can build further knowledge.

Through practical exercises and projects, the workshop provides hands-on experience in coding, which is crucial for understanding theoretical concepts and for learning how to apply them.

The Objective of Session

- Make attendees to understand Mobile App Development scenario
- Attendees will be equipped with the skills and knowledge to develop UI, and to work with backend and APIs
- Help attendees with hands on experience in deployment and publishing of mobile applications

Program Proposal

One week STTP on “Android AppCraft : from concept to creation”

Mobile application development

To,

HOD, Computer Science Engineering (CSE) Department,

Dr. Daulatrao Aher Engineering College, Karad.

Respected Ma'am,

Greetings from **Platominds Services Pvt. Ltd.** Thank you for providing an opportunity to submit a proposal for Trainings. We are renowned IT company in western Maharashtra. We are providing IT solutions to various business in all sectors. The main aim of Platominds is to mould students into professionals with high skills set where they stand out in the crowd. The training is provided by the IT experts having rich experience in the IT Industry. Please go through the below detailed proposal. We look forward to your positive response.
