Respected HR,

I hope this letter finds you well. On behalf of **Dr. Daulatrao Aher College of Engineering, Karad**, we would like to request an opportunity for our students to visit Niveus Company as part of their industrial exposure and learning experience.

As a reputed organization in **Web Development**, we believe that an industry visit to your esteemed company will provide our students with valuable insights into real-world industry practices, current technologies, and professional workflows. This visit will significantly contribute to their academic and professional growth.

We propose to schedule the visit on **09th of April 2025**, with a group of **50** students and **4** faculty members. We kindly request your guidance on available dates and any necessary formalities to facilitate this visit.

Please let us know if any specific permissions or documents are required. We would be grateful for your support in making this visit a valuable learning experience for our students. Looking forward to your positive response.

Thank you for your time and consideration.

Best regards,

**Shifa Shikalgar**

**Subject: Appreciation for Industrial Visit to Platominds Services Pvt. Ltd. (An IT Software Company)**

Greetings from Platominds Services Pvt. Ltd.!

We would like to express our sincere thanks to you and your team for organizing the industrial visit to our company on **09th April 2025**. It was truly a pleasure to host the students and faculty members of **Dr. Daulatrao Aher College of Engineering, Karad** at our premises.

The students showed great enthusiasm and curiosity throughout the session. We were impressed by their keen interest in understanding various aspects of the IT industry, especially in areas like **web development, MERN stack technologies, project workflows, and agile methodologies**. Their active participation and thoughtful questions made the session interactive and engaging.

We are glad that the visit provided them with meaningful insights into how the software industry functions, including real-time project handling, coding standards, version control systems, client interaction processes, and deployment practices. We believe such exposure helps bridge the gap between academic learning and industry expectations.

We truly appreciate your initiative in promoting practical learning through industrial visits. We look forward to more opportunities to collaborate with your esteemed institution for knowledge-sharing sessions, internships, and future training programs.

Once again, thank you for giving us the opportunity to connect with bright young minds. We wish the students all the best in their academic and professional journeys.

Warm regards,

Confirmation of Industrial Visit – 09th April 2025

Dear Ms. Shifa Shikalgar,

Greetings from Platominds!

Thank you for reaching out to us. We are pleased to confirm the industrial visit for the students and faculty members of Dr. Daulatrao Aher College of Engineering, Karad, on 09th April 2025.

We are happy to welcome the group of 50 students and 4 faculty members to our premises and look forward to providing them with an insightful session about our company's work culture, current technologies, and development practices in the web development domain.

Kindly ensure that all visitors carry their college ID cards for verification purposes. We also request you to share the final list of participants along with the faculty contact details at least 2 days prior to the visit.

If there are any specific areas of interest or topics you would like us to cover during the session, feel free to let us know in advance so we can make the necessary arrangements.

We look forward to hosting your team and contributing to the students' learning journey.

Warm regards,
